Dear Prospective Sponsor,

Prospect United Football Club (PUFC) strives to provide opportunities for everyone in our community to participate in healthy and safe soccer activities in a family orientated environment.

The Club is managed by a dedicated unpaid committee along with our parent community, all of whom work tirelessly to provide their skills, time and assistance to ensure our club can offer an affordable variety of structured and fun programs to suit all ages.

Celebrating 50 years of service to the community in 2020, our club's philosophy focuses on player development both personally and as elite footballers within a team environment.

Like any community sporting organisation our main source of revenue is canteen sales and small fundraisers which we organise throughout the year. All funds raised are invested into our resources to ensure we offer exceptional facilities for all ages.

Our membership continues to thrive with over 40 teams competing in 2020. With this exponential growth demand on club resources and facilities have increased and we need your financial support.

In 2019 our club won the Blacktown District overall club championship and junior club championship. Our club was also recognised as an outstanding player development club and was promoted to the Men's NPL4 and Youth NPL 2 NSW leagues providing our children with an elite pathway.
