FREQUENTLY ASKED QUESTIONS PT 4

What is Grading?

Grading is the process of assessing the players skill level, and ability, to determine what division best suits the player to maximize their enjoyment and development.

We missed the 1st grading session, will a 2nd grading session be conducted?

In most instances, yes, however due to time constraints and numbers, only 1 session may be conducted. Dates and times will be advised via Facebook and our other Socials. All children that attended the first session will be contacted via email if a 2nd session is needed.

Do we need to attend Grading?

No, it is not compulsory to attend however this process helps identify a players skill level and placement into a suitable team. Players who attend these sessions are generally offered early placement into a team.
